

Import Compliance & Enforcement Update Seminar

A COMPLIMENTARY SEMINAR BROUGHT TO YOU BY:

Wednesday, November 7, 2007

8:00 a.m. - 3:00 p.m.

**Holland & Hart LLP
555 17th Street, 32nd Floor
Denver, Colorado**

In the aftermath of September 11th, import supply chain continuity has become a critical factor in meeting the demands of today's increasingly global sourcing and manufacturing market. Understanding the current key priorities for our import regulators can help importers focus their compliance efforts.

During this informative seminar, representatives from the government (Customs and Border Protection, Immigration and Customs Enforcement, and others) will provide an overview of current trends in import enforcement. Holland & Hart and Braumiller, Schulz & Co. trade experts will augment information provided by our government speakers and provide practical tips for compliance.

Topics include:

- Current trends and initiatives for Immigration and Customs Enforcement
- Compliance update from the "front lines" – Customs and Border Protection operations
- Criminal investigations – what to expect if your company is targeted
- Corporate internal investigations – practice tips
- Customs Regulatory Audit overview and key problem areas
- Import compliance "Best Practices"
- Import regulatory update
- Q & A – Ask the experts
