efstidham@hollandhart.com

Erik advocates on behalf of clients involved in complex litigation.

Technology, manufacturing, natural resources, software, construction and real estate companies in more than 20 states have turned to Erik to achieve favorable results as lead trial counsel and appellate counsel in their cases. Erik has extensive experience litigating business, software, civil fraud, class action, product, natural resources, environmental, construction, real estate and shareholder disputes.

In addition, Erik has broad experience conducting internal investigations, preparing government disclosures, and responding to state and federal investigation related to allegations of corporate wrongdoing.

Prior to joining Holland & Hart, Erik was a partner in a large, regional full-service law firm and an associate at a leading international firm.

CLIENT RESULTS

Trial and Arbitration

Lead counsel for food business alleging trade secret, breach of fiduciary, and breach of contract claims in federal court in Virginia against shareholders aligned with the Chinese government. After repeated successes in the litigation, client was able to settle the case on wholly favorable terms.

Lead counsel representing car dealerships in two-week trial against Zurich North America Insurance in which jury found for dealerships on contract, fraud, and business tort claims and awarded \$5MM in compensatory damages and \$6MM in punitive damages.

Lead counsel for bank defending against breach of contract and tort claims relating to construction project in Texas. Jury found in favor of client bank on all counts. Court awarded sanctions against opposing counsel.

Lead counsel for municipality in litigation with irrigation district with over \$100 million dollars in environmental and infrastructure costs at issue. Success on interlocutory appeal and at trial allowed municipality to prevail.

Lead attorney for hospital in significant internal investigation stemming from broad allegations of wrongdoing by hospital executives.

Lead counsel for one of the largest energy companies in the world in high profile litigation brought by environmental group seeking to block transportation of refinery equipment and related construction project. Trial,
