BAR ADMISSIONS

Utah

His practice focuses on environmental compliance and permitting, contaminated properties, air quality, water quality, and natural-resources litigation. He serves a variety of clients, from new industry entrants to well-established organizations.

Advice in Environmental Compliance: Tim assists clients in developing sound environmental management practices. He counsels clients on assessment and permitting, compliance and enforcement, and rulemaking.

Strategic Guidance in Environmental Issues: Tim advises clients on complex environmental matters from inception to completion.

Prior to joining Holland & Hart, Tim served as judicial clerk to the Honorable J. Frederic Voros, Jr. of the Utah Court of Appeals.

EXPERIENCE

Environment, Energy, and Natural Resources

Tim provides services that cover the spectrum of environmental regulation including:

- Contaminated properties
- Air quality
- Natural resource litigation

Environmental Compliance

Tim assists clients in navigating complex compliance and environmental enforcements:

- Legislation and rulemaking
- Remedial actions
- Redevelopment projects
- Compliance and enforcement
- Assessment and permitting
