Associate

800 W. Main Street, Suite 1750, Boise, ID 83702

P 208.383.3938

lpfouser@hollandhart.com

Lauren Prew Fouser helps clients navigate the various stages of the corporate life cycle from entity selection and formation to financing and capitalization, corporate reorganization, and mergers and acquisitions.

Her clients range from early stage start-ups to large private companies. Lauren frequently finds herself in the technology, food and beverage, software, and cybersecurity spaces working with clients on their day-to-day matters, from governance to corporate contracting to employment issues. Whether it is a complex capitalization table or a series of tricky transactions to effect a reorganization, Lauren works through the more intricate problems to find an efficient and client-friendly solution.

Prior to joining Holland & Hart, Lauren practiced at Jackson Walker L.L.P in San Antonio, Texas.

EXPERIENCE

Corporate Law

Lauren has experience with clients of all sizes from emerging growth companies to large public and private companies, helping guide them through the various stages of the corporate lifecycle, including:

- Entity selection and formation
- Financing and capitalization
- Corporate reorganization
- Mergers and acquisitions

Healthcare Law

Lauren assists healthcare industry clients, including physicians, healthcare entities (including independent practices, ambulatory surgical centers, pharmacies, and hospitals), biotechnology, and biomedical companies on a variety of transactions, including:

- Mergers and acquisitions
- Formation of independent provider practices and professional entities
- Sales, mergers, and acquisitions of healthcare provider practices
- Asset purchases and sales

CLIENT RESULTS

Corporate Law

Advised clients regarding entity formation and appropriate corporate behavior following formation

Formed and drafted governing documents for corporations, non-profit corporations, limited liability companies, limited partnerships, and various professional entities

Assisted with fund formation for a technology-based investment fund comprised of several dozen investors in Texas.

Healthcare Law

Worked with practitioners to establish, sell, and acquire independent practices.

Counseled clients regarding regulatory healthcare issues involving compliance with federal Stark and Anti-Kickback laws and applicable physician self-referral and anti-kickback state regulations

Researched federal and state healthcare regulations impacting telemedicine and telehealth, including physician licensing and out-of-state pharmacy and physician prescription requirements

Formed various entities and drafted corporate governance documents and merger agreements involving a highly integrated network of healthcare entities in a multi-step corporate reorganization in Texas.

Drafted documents for healthcare technology corporation seeking to raise capital through its existing investors and prepared shareholders' agreement.
