**Erica advises clients in the energy and natural resources industries on a range of disputes and regulatory issues involving project development in Nevada.**

Erica works with renewable energy developers, water purveyors, and mining companies assisting with environmental permitting and compliance (including UEPA permitting), water rights, and real estate issues. She also assists clients in preparing regulatory filings, project development, project finance, and tax incentives and abatements. Her regulatory experience includes a broad spectrum of work before agencies with jurisdiction over environmental issues, education, and public utilities.

Prior to joining Holland & Hart, Erica served as a law clerk to Justice Mark Gibbons of the Nevada Supreme Court and as a judicial extern to then-Chief Judge Robert C. Jones of the U.S. District Court, District of Nevada.
