**Shawn is a seasoned litigator with more than 14 years' experience working with insurance industry clients. He counsels clients on a range of business, insurance coverage, and transactional matters including contract negotiations, risk management, and real estate.**

Shawn has experience, including first chair at trial, managing all aspects of large civil litigation matters on behalf of businesses, real estate developers, architects, engineers, and land surveyors. He has also prosecuted third-party complaints against a wide variety of trade subcontractors and successfully pursued additional insured status for payment of clients' defense fees.
