New Mexico

### COURT ADMISSIONS

U.S. District Court for the District of New  
Mexico

Her clients include oil and gas companies and renewable energy developers. She regularly represents oil and gas companies before the Oil Conservation Division on regulatory and compliance issues. Kaitlyn also has experience practicing in the areas of public entity tort, construction law, personal injury, insurance litigation, and other complex litigation and regulatory matters.

### EXPERIENCE

#### Regulatory and Administrative

Clients turn to Kaitlyn for assistance navigating ever-changing regulatory standards

- Oil and natural gas permitting
- Permitting of oil and natural gas pipelines and electric transmission, including right-of-ways
- Public lands management
- Development of renewable energy projects including wind, geothermal and solar projects
- Water rights

#### Litigation

Kaitlyn provides strategic representation to clients engaged in litigation:

- Appealing or defending permits
- Pursuing cost recovery and contribution actions
- Defending statutory citizen suits
