BAR ADMISSIONS

New Mexico

Texas

Briana focuses her practice on complex commercial litigation, international arbitration, and corporate counseling - representing clients in the construction; food and beverage; consumer products; and energy industries.

In addition to complex commercial litigation Briana counsels businesses on legal strategy for growth, commercial contracts and leases, and intellectual property protection. Her experience includes securities law, director and officer litigation, and product liability issues. She also handles contract disputes that touch on the government/contractor relationship as well as government investigations.

Briana served as a law clerk for the Magistrate Judge Felix Recio in the United States District Court for the Southern District of Texas. She joined Holland & Hart from a boutique firm in Houston, Texas.
