**Bryson assists clients with regulatory compliance and dispute resolution for a wide range of environmental issues.**

Bryson also assists companies on issues of workplace safety and emergency response, including regulatory enforcement, internal investigations, and civil litigation. His litigation experience includes defense of oil pipeline projects and mining permits, toxic tort suits, CERCLA cost recovery suits, and personal injury defense.

### EXPERIENCE

Bryson represents clients before administrative agencies and courts on matters including:

- Natural resources litigation
- NEPA compliance and litigation
- Safety compliance, including OSHA, MSHA, DOT, PHMSA, and the Chemical Safety Board
- Incident response and investigations
- Personal injury defense
