BAR ADMISSIONS

Oregon
 California
 Practice in Colorado temporarily authorized pending admission under C.R.C.P. 205.6.

Her clients include water providers, energy companies, real estate developers, industrial water users, ranchers and farmers, and special districts. Hayley has experience with a broad range of land use, natural resources, and environmental matters, including project permitting, administrative and judicial appeals, real property transactions, and environmental compliance. Hayley is temporarily authorized to practice in Colorado pending admission under C.R.C.P. 205.6. and admitted to practice in California and Oregon.

EXPERIENCE

Hayley assists clients in matters involving:

- Water rights
- Energy project permitting
- Land use

She also has experience assisting client on complex environmental issues arising under:

- Clean Water Act (CWA)
- Endangered Species Act (ESA)
- Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA)
- Resource Conservation and Recovery Act (RCRA)
- Reclamation Act
- Toxic Substances Control Act (TSCA)
- Emergency Planning and Community Right-to-Know Act (EPCRA)
- Coastal Zone Management Act (CZMA)
- Wild and Scenic Rivers Act

CLIENT RESULTS

Prior to joining Holland & Hart, Hayley practiced in California and Oregon, focusing on environmental and water law matters, including:

- Represented water users before the Oregon Water Resources Department in matters concerning water right forfeiture, water right transfers, water storage and use applications, and applications for

time extensions

- Represented utility-scale solar and commercial developers in obtaining entitlements at the city and county level
- Advised irrigation districts on election, public records, and other procedural matters
