BAR ADMISSIONS

Colorado

Alex counsels clients operating in the financial services, consumer products, and software industries on data privacy, security, and regulatory compliance. He advises companies on data breach response strategies and related investigations.

Alex is experienced in drafting and negotiating contracts and guiding clients through complex intellectual property, technology, and commercial agreements, including SaaS agreements, M&A contracts, and technology licensing agreements.

Before joining Holland & Hart, Alex practiced at Milgrom & Daskam. While attending law school, Alex completed the Tech Lawyer Accelerator Program, including an internship at Webroot in Broomfield, CO.
