klpollard@hollandhart.com

Kelsey advises clients in the energy and resources industry on a variety of project development and finance matters.

She works with clients throughout the industry and specializes in the renewable energy space. Kelsey utilizes her past experience working for an international renewable energy company to skillfully guide clients through deals at any phase of their project, from site acquisition through construction, financing, operations, and acquisition or divestiture.

Before joining Holland & Hart, Kelsey served as counsel for Renewable Energy Systems Americas Inc. in Colorado and practiced corporate law at an international law firm in Dallas, Texas.
