J.D., 2018
With high distinction

University of Nebraska, B.S., 2015
Chemical and Biomolecular Engineering

BAR ADMISSIONS

Colorado
Nebraska
U.S. Patent and Trademark Office

In addition to patent preparation and prosecution, Mitchell assists clients with claim charting, competitor targeting campaigns, and strategic IP docket management. He is a member of our large team of patent attorneys, agents, and engineers assisting sophisticated clients with developing and protecting their patent portfolios across the communications, semiconductor, aerospace, and electronics industries. Mitchell also prepares opinions to provide clients with intellectual property strategies.

Prior to joining Holland and Hart, Mitchell worked as a patent attorney at a boutique intellectual property firm.

EXPERIENCE

Preparation and Prosecution

- Domestic and international patent preparation and prosecution
