### BAR ADMISSIONS

Utah

Texas

Curtis leverages his extensive healthcare regulatory experience to advise clients of all sizes in mergers and acquisitions, strategic growth planning, and general business matters. He also advises on a range of corporate business and regulatory matters, including threat of government enforcement actions, audits and payor issues, and contract agreements.

In addition, Curtis counsels clients on compliance with the Stark Law, federal Anti-Kickback Statute, Beneficiary Inducement Statute, and additional regulations, as well as represents companies undergoing investigations for alleged violations of these laws and statutes, among others.

Prior to joining Holland & Hart, Curtis was an associate attorney at the healthcare boutique law firm, Brown & Fortunato, P.C.
