Nabil assists clients with the complex regulatory and operational challenges of conducting business involving cannabis, hemp, and CBD.

Nabil helps clients navigate the ever-evolving patchwork of state, local, and federal requirements to start, maintain, and expand business operations across the nation. A passionate advocate for cannabis, Nabil has established connections and relationships with a range of industry stakeholders that he uses to assist clients in identifying, preparing for, and capitalizing on strategic business opportunities.

Nabil works with growers, operators, and distributors of marijuana as well as companies developing CBD-infused food and beverage and natural products.

Before joining Holland & Hart, Nabil practiced cannabis law as an associate at Greenspoon Marder LLP. He founded the first student National Cannabis Bar Association.
