brpersichetti@hollandhart.com

Bryce is a patent attorney who assists clients in drafting and prosecuting patent applications, with a focus on the electronic and computer-related arts.

Bryce is a member of our large team of patent attorneys, agents, and engineers assisting sophisticated clients with developing and protecting their patent portfolios. He draws upon his experience with computer software and applied electrical engineering to better understand complex technologies.

Prior to joining Holland & Hart, Bryce worked as patent attorney at a full-service intellectual property firm in Chicago.
