Pet Care  
Technology

### EDUCATION

Emory University School of Law, J.D.,  
2019

University of Michigan, B.S. Chemical  
Engineering, 2016

### BAR ADMISSIONS

Colorado

Alex represents clients in both Colorado state courts and federal courts across the country in high-stakes litigation, government investigations, and enforcement actions. She takes a creative approach to litigating business disputes, and goes above and beyond to not only represent her clients' business interests, but to understand them. Alex handles a variety of matters for clients across all industries, including contract disputes, consumer protection litigation, class actions, and FTC and SEC enforcement matters.

Drawing on her technical background in chemical engineering, Alex also regularly counsels clients on regulatory compliance matters so businesses can represent their core values through marketing and advertising while mitigating against enforcement risk. She advises clients on FDA and FTC regulations, as well as state consumer protection, unfair competition, and deceptive advertising laws.

### EXPERIENCE

#### Business Litigation

Alex assists clients at all stages of litigation and arbitration, including:

- Responding to or issuing demand letters
- Responding to or issuing subpoenas
- Drafting pleadings
- Conducting written and deposition discovery
- Working with expert witnesses
- Drafting dispositive motions
- Arguing hearings
- Preparing witnesses to testify
- Trying cases
- Assisting with appeals
- Negotiating settlements

#### Government Investigations

Alex assists individuals and companies in government investigations,

including:

- Responding to subpoenas
- Preparing witnesses for non-public investigative testimony
- Representing clients in investigative testimony and depositions

### **Regulatory Compliance**

Alex advises companies on regulatory compliance, including:

- FDA, USDA, and AAFCO labeling requirements
- FTC advertising
- Label reviews
- California Proposition 65
