Morgan counsels clients in the energy and resources industry at all stages of project development and financings.

She supports clients primarily in the renewable energy space in matters spanning from early-stage project development through operation. Her experience covers a wide range of development and commercial contracts involving procurement, construction, and revenue generation. Additionally, Morgan counsels infrastructure developers on strategic transactions to successfully finance, buy, and sell projects. She also assists companies on general corporate matters in connection with mergers and acquisitions and other commercial transactions.

Before joining Holland & Hart, Morgan participated in the firm's summer clerk program. She also served as a law clerk for the Honorable Scott W. Skavdahl of the U.S. District Court of Wyoming and as a legal intern at the Wyoming Attorney General's Office.
