

Stacey Hayes

Litigation and Regulatory Specialist

645 South Cache Street, Suite 100, P.O. Box 68, Jackson, WY 83001

P 307.734.4519

Stacey's meticulous approach and deep understanding of workplace safety and environmental compliance matters support favorable results for clients across numerous industries.

PRACTICES

Environmental Health and Safety

EDUCATION

University of New Hampshire

George Mason University, Paralegal
Certificate, August 2015

Stacey applies over two decades' experience in the legal industry to maximize the efficiency of the environmental health and safety practice. She has extensive experience managing complex cases with a broad range of regulatory agencies, including OSHA, MSHA, EPA, and DOJ, handling everything from discovery productions to participating in depositions and hearings. Stacey is a detailed-orientated professional with excellent research, writing, and technology skills.

Prior to joining Holland & Hart, Stacey worked as an immigration paralegal for a large Boston firm.
