

Andrew Revelle

Associate

222 South Main Street, Suite 2200, Salt Lake City, UT 84101

P 801.799.5905

APRevelle@hollandhart.com

Andrew helps clients on a variety of environmental issues, including compliance, enforcement, permitting, and litigation.

With a background in environmental science and natural resources, Andrew provides assistance with air quality and water quality issues. He also litigates environmental and natural resource matters and conducts environmental due diligence on conventional and renewable energy projects.

During law school, Andrew served as law clerk with the EPA Environmental Appeals Board and the Salt Lake City Attorney's Office.
