Hannah advises clients in the energy and natural resources industries on complex environmental issues including land use issues, permitting, regulatory compliance, due diligence, and litigation.

Hannah assists clients with addressing environmental quality concerns, navigating permitting obstacles, and defending project approvals and operations. She helps clients understand agency regulations and permitting decisions and, when necessary, challenge those regulations and decisions.

Prior to joining Holland & Hart, Hannah gained appellate experience serving as a judicial clerk for Judge Harris L. Hartz of the US Court of Appeals for the Tenth Circuit.
