Brett Kelly

Patent Agent

BCKelly@hollandhart.com

Brett handles patent preparation and prosecution in a broad range of complex subject matters.

Brett combines his technical knowledge and background with an understanding of the strategies needed to help businesses safeguard their innovations. He provides patent services for clients of all sizes, from small startups all the way to Fortune 500 companies, to ensure their intellectual property is carefully protected. Brett works closely with in-house counsel, inventors, and others to build clients' patent portfolios and help them achieve their business goals.
