Robert takes a pragmatic approach to guiding businesses through complex commercial litigation and employment disputes.

Robert represents clients in breach of contract claims, business torts, real estate disputes, and employment-related litigation, including discrimination, harassment, and wrongful termination matters. He also provides proactive employment counseling to help clients navigate workplace compliance issues, assess risks, and develop pre-litigation strategies that align with their business objectives to avoid costly litigation.

He brings extensive experience in managing complex discovery processes. Robert takes a solution-oriented approach to dispute resolution, working efficiently to protect his clients' interests whether through early case resolution, dispositive motions, or trial preparation.
