**Tim is a registered patent attorney and electrical engineer who focuses on a comprehensive range of intellectual property matters, including patents, trademarks, copyright, and trade secrets.**

Tim partners with clients to develop, manage, and litigate intellectual property portfolios that protect their innovations and drive business growth.

Drawing on his technical background, Tim serves diverse industries including software, electronics, aerospace, medical devices, mechanical systems, and manufacturing, with particular depth in financial technology, artificial intelligence, computer architecture, embedded systems, and signal processing.

Tim began his career with Holland & Hart in Las Vegas as a Patent Agent, then participated in the firm's Summer Clerk Program, and now practices as an Associate in the Denver office. He maintains deep connections to Nevada and continues serving clients throughout the region.
