

Ben Cilwick

Associate

222 South Main Street, Suite 2200, Salt Lake City, UT 84101

P 801.799.5904

BJCilwick@hollandhart.com

Ben represents water suppliers, municipalities, and landowners in litigation and administrative matters involving water rights, land use and zoning, and other issues involving natural resources and property rights.

Ben works with clients on disputes in state courts and before administrative agencies. He also advises clients on easements, rights-of-way, and property conveyances related to water resources infrastructure, and he assists clients with land use compliance and permitting issues.
