Liz is an associate who helps clients navigate environmental, energy, and natural resources matters through practical legal analysis, research, and dispute resolution support.

Liz is an associate whose practice focuses on serving clients in the environmental, energy, and natural resources sectors. She assists with a variety of litigation and regulatory matters, including legal research, motion practice, discovery, and dispute resolution. She works closely with clients to address complex legal and business challenges while helping them achieve practical and effective outcomes.

Liz has experience analyzing complex legal issues, drafting memoranda and litigation documents, and supporting matters involving regulatory compliance and administrative processes. Her background in researching and resolving multifaceted legal questions enables her to assist clients across a broad range of environmental, energy, and natural resource matters.
